ALGOMINT

— SMART VISION, STRONG FUTURE —

TERMS & CONDITIONS

1. ONE PERSON – ONE ACCOUNT

One Account Policy: Each member is permitted to operate only one account under a unique PAN Card, Aadhaar Card, Mobile Number, and Email Address. Any attempt to create multiple accounts using the same documents or personal information will result in immediate account suspension and may lead to permanent termination.

2. MONTHLY GROWTH REQUIREMENT

To remain actively qualified for all income streams, every member must personally sponsor at least one new member each month. This requirement promotes sustainable growth for both the individual and the entire community.

3. LEVEL QUALIFICATION MAINTENANCE

Members who have achieved a specific rank or level must maintain the required monthly joining volume for that level. Failure to meet the qualification criteria may result in the loss of level-based income eligibility for the following month.

4. TEAM DEVELOPMENT RESPONSIBILITY

Every member is encouraged to provide proper guidance, training, and support to their team members. Strong leadership and continuous education are essential for maintaining stable growth and maximizing earning potential.

5. DIRECT SPONSORSHIP REQUIREMENT

Each member is expected to achieve a minimum of 30 direct referrals during their participation in the system. There is no limit on the number of direct referrals, allowing members to build their network without restrictions.

7. MONTHLY TEAM VOLUME QUALIFICATION

Level income qualification is determined by monthly team growth. Members must maintain the required business volume on both team legs to remain eligible for their respective level benefits and rewards.

8. DAILY MATCHING INCOME POLICY

Daily Matching Income is calculated through a daily closing system. Matching commissions are paid exclusively on newly generated business volume recorded during that day.

9. MONTHLY LEVEL INCOME CALCULATION

Level Income is determined through monthly closing. The business volume achieved during the current month will define the member's income qualification level for the following month.

10. WITHDRAWAL PROCESSING FEE

A standard 10% withdrawal processing fee will be deducted from all approved withdrawal requests.

11. COMPLIANCE & FAIR USAGE POLICY

Any fraudulent activity, manipulation of the compensation plan, use of fake identities, or violation of company policies may result in account suspension, income forfeiture, or permanent termination without prior notice.

12. COMPANY RIGHTS

The company reserves the right to modify, update, amend, or revise the compensation plan, policies, terms, and conditions whenever necessary to ensure the long-term stability, security, and sustainability of the ecosystem.

BOOSTER FUND ELIGIBILITY

Once you complete 30 direct sponsors within 1 year, you become eligible to activate the \$60 Monthly Booster.

By keeping your Booster active every month, you can continue receiving your monthly income according to the company's compensation plan.

PLEASE NOTE:

- The \$60 Monthly Booster can be activated only after completing 30 direct sponsors.
- It cannot be activated before achieving the 30 direct sponsor milestone.
